

Jet Line Products—Employment Opportunities

Jet Line Products New Jersey-Paterson

Inside Salesperson/Liners+Covers/Pool Kits: We will be looking to fill a back office inside sales position at the Paterson office in the early part of 2010. This position entails taking and processing customer orders via phone, fax and online. It further entails assisting in the quoting and ordering of liners and covers as well as the layout, ordering and processing of steel pool kits.

Experience in these specific areas is a plus but is not mandatory. Some pool experience with requisite technical knowledge is necessary. Bi Lingual (Spanish) is a big plus. A good working knowledge of computers is required. Please email resumes to jobs@jetlineprod.com.

Jet Line Products Miami

Outside Salesperson: We are seeking a motivated and aggressive outside salesperson to seek and service domestic and international customers, primarily South America. Territory is virtually unlimited. You will have access to costs and inventory in our computer system and remote access to it. You will have a high degree of autonomy and no limit on either the number of customers in your portfolio or any requirements on their growth or minimum spending. There is no ceiling or maximum on the amount you can earn in commission. You will be based out of our Medley (Miami) location but your focus will be on acquiring and servicing your customers, wherever that may be. Excellent opportunity.

Candidate must have sales experience in the industry and be active in it. An existing customer base is a big plus. Bi-Lingual (Spanish) is necessary. Please e-mail resumes to jobs@jetlineprod.com and we can discuss many more details.
